Dear Mr. Acorn,

Re: Paramount Resources Ltd.- Cameron Hills Drilling Project Environmental Assessment

Please accept this letter as an official notification of our involvement in the Cameron Hills Drilling Project.

The Deh Gah Gotie First Nations(Fort Providence), have maintained the position that we do have historical and traditional ties to the Cameron Hills area, as do the First Nations of Kakisa, West Point and the Hay River Reserve.

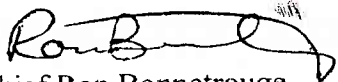

We do see a great need for our communities to share in the area of co-management regarding any development and the environmental concerns of our member First Nations.

I would ask that all relevant information be sent to the above noted First Nations for our participation and consultation.

Please do not hesitate to contact any of our First Nations if you may have any specific questions.

Thank you for your consideration into this matter.

Mahsi Cho,

Chief Ron Bonnetrouge
On behalf of the Dene Council
