**Subject:** Cameron Hills Timber Report

Hello Mr. Mawdsley,

My name is Joe Acorn and I am working for the Mackenzie Valley Environmental Impact Review Board. The project I am working on is the Paramount Resources drilling project at Cameron Hills. An issue that must be examined is cumulative environmental effects. I am trying to find out as much as I can about the past, present and future forestry activities in this area. I was speaking to Lisa and she mentioned the "Cameron Hills Timber Supply Analysis" report that was completed. I am wondering if I can get a copy of the report.

My number is 873-9636 if you want to talk about this.

Thanks,

Joe Acorn
