Dear Sir:

**Re: Land Use Permit Application MV2000A0041
Cameron Hills Drilling Project**

This letter is a follow-up to our January 5 letter to you and our recent telephone conversations. Paramount is requesting that the Mackenzie Valley Environmental Impact Review Board (MVEIRB) remove references to Paramount completing and testing the 7 existing wells from the Cameron Hills EA Work Plan and Terms of Reference. Specifically, the fourth bullet in Section 2 of the Work Plan and the second bullet in Section 2.1 of the Terms of Reference.

In addition, Paramount is requesting that the MVEIRB include the possible 10 future wells in the Cameron Hills EA Work Plan and Terms of Reference.

Please do not hesitate to contact Shirley Maaskant at (403) 290-3618 if you require additional information to process this request. Thank you for your continued assistance.

Yours truly,

PARAMOUNT RESOURCES LTD.
