RE: REQUEST FOR COMMENT ON AN AMENDED WORK PLAN

The Mackenzie Valley Environmental Impact Review Board (Review Board or Board) is planning to amend the current De Beers Environmental Assessment Work Plan (Work Plan) to accommodate De Beer's Information Request (IR) response submissions. The Board appreciates that while scheduling changes are necessary, that the changes might inconvenience some interveners or directly affected parties (parties). The Board in its June 19, 2002 decision considered submissions provided by directly affected parties regarding any work plan amendments and concluded that interveners and directly affected parties should have an opportunity to comment on the attached work plan amendment. To accommodate Board availability please consider and comment on the proposed Work Plan amendment on or before July 3, 2002.

Sincerely,

Luciano Azzolini
Environmental Assessment Officer
