Subject: E-Mail from WesternGeCo

The Review Board received the attached e-mail today from Derek Melton at Golder on behalf of WesternGeco. **In response to the question, the MVEIRB requests that WesternGeco / Golder contact directly the groups on this fax cover sheet to:**

1. determine whether CDs or paper copies of documents are needed, and how many;
2. send out the appropriate materials directly; and,
3. send confirmation to the MVEIRB.

It is hoped that this will get copies to parties efficiently, without the production of unnecessary copies.

Alan,

Could you please confirm number of hard copies required by MVEIRB of the EA Report for the WesternGeco Mackenzie and Liard Rivers Seismic Survey? Do you also require CDs with pdf copies and if so how many?

Regards,

Derek
