Laurence,

Thank you for following up. I had planned to touch base with you today.

The Review Board has approved the draft Terms of Reference and Workplan for release Monday. Several actions have been approved to expedite the process.

I am in meetings this afternoon but will provide details early next week.

Best Regards,  
Sherry

Sherry

Can you give a brief update at what transpired at this week's meeting.

I have many interested parties asking me and would like to have some idea where we are at.

Thank - you

Laurie Stephenson
