Hi Folks

Looks like we have several items on the go ...

First we can make additional comments on the Gartner Lee study and proponents comments by Oct 24. Any comments should come to me by the 23rd

Most importantly, there are some worksheets in the pdf related to the preconference hearing. Please fill out the key sections and return to me by email by Oct 28. I'll make a combined GNWT submission and submit by the due date. If I have questions this date will allow me some additional time to discuss with you.

Thx

Gavin
