**Re: Referral of North American General Resources Corporation and New Shoshoni
Ventures Diamond exploration proposals to an Environmental Assessment**

Dear Sherry,

Thank you for the notice that the North American General Resources Corporation (MV2003C0008) and the New Shoshoni Ventures (MV2003C0016) diamond exploration proposals have been referred to an Environmental Assessment.

Please keep the NSMA on your distribution list for both of these environmental assessments, as Wool Bay and Drybones Bay are both areas of very high cultural and ecological significance for the North Slave Metis.

Thank you for your attention to this matter.

Yours truly,

Kris Johnson

Subject: faxes and Wool Bay

Hi Sherry,

Thanks for the call earlier about the Wool Bay work and upcoming assessments. Although I can't locate the two faxes that were recently sent out regarding proposed exploration work, I would like to remain on the contact list for these projects. Please send me future correspondence via e-mail, where possible, otherwise fax (920-2685).

Regards,
