Hi Kim,

I just checked your web-site and there is a submission from Mandell Pinder. Have you distributed (or will you distribute) it to the EA list? I had suggested to Mandell that they didn't have to send it wide as I assumed you would do that as you did for the EC and DFO submissions.

I've also heard that RWED made a submission.

Thanks,

Joe Acorn

Joe,

I have not seen anything from the communities regarding comments to NEB. Everything that I receive is posted to the registry and website without much delay.

Kim

Hi Kim,

Did any of the communities make submissions on the NEB's draft modifications? I haven't received them if you sent them out.

Thanks,
