Hi,

Please note that the RMs hope to have final comments on the measures discussed on January 24, 2005, by the morning of Friday, January, 28, 2005.

For further clarification, please note that our understanding of the January 24, 2005 meeting was that only modification number 2 of R16 was agreed to in principle by the RMs, subject to further confirmation (i.e. the GNWT), that we will provide by Friday.

Cheers,

Tamara
