Dear Ms. Cliff-Phillips:

**Re: Environment Canada's Request for an Extension for the Submission of their
Technical Analysis Reports for the Paramount Cameron Hills Extension
Environmental Assessment (EA03-005)**

Indian and Northern Affairs Canada (INAC) would like to thank you for your e-mail of January 27th, 2004, advising us that Environment Canada has requested an extension for the submission of their Technical Analysis Report.

INAC has no comments or concerns with the Mackenzie Valley Environmental Impact Review Board (the Review Board) staff considering a recommendation to grant an extension to February 4, 2004, for Environment Canada only.

Cheers,

Fraser Fairman
Environmental Scientist,
Environment and Conservation Division
