Dear Sir:

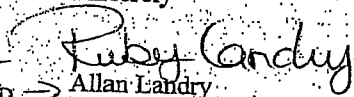

RE: Public Hearing

There is to be a public hearing in Kakisa regarding Paramount Resources Ltd. scheduled for February 16th 2004. The date of the hearing may conflict with the Regional Deh Cho Leadership Meeting which is held mid February 2004. Our Chief and community delegates plan to attend the Leadership Meeting. I would not be available at that time as I have other commitments all that week.

The Ka'a'gee Tu First Nation is requesting to change the scheduled hearing. I contacted the Deh Cho First Nation Office and they suggest I bring this to the attention of the M.V.E.I.R.B. We would much appreciate it if the M.V.E.I.R.B would consider the wishes of Kakisa.

Should you have any questions or concerns, please leave a message at the First Nation Office at (867) 825-2000 or fax at (867) 825-2002.

Sincerely,

Allan Landry
