Dear Mr. Landry:

**Cameron Hills Project (Oil and Gas – S.O.L.)**

I have received and reviewed your invitation to meet with the Ka'a'gee Tue First Nation. At present there are no applications from Paramount Resources before the Mackenzie Valley Land and Water Board (the Board). The most recent applications, MV2002A0046 and MV2002L1-0007 were referred to the Mackenzie Valley Environmental Impact Review Board (MVEIRB) for environmental assessment. In the letter of referral, the Board recommended to the MVEIRB that the environmental assessment include a public meeting to discuss the project and added that the Board would be prepared to participate jointly with the MVEIRB in such a meeting. Those discussions are ongoing but we anticipate that the public hearing will be held in the Deh Cho later this year. We will ensure that you are apprised of their plans and scheduling.

I look forward to an opportunity to meet with you in the near future.

Yours sincerely,

Melody J. McLeod  
Chair
