Subject:	Paramount Cameron Hills Extension EA – Additional Information Requests and List of Directly Affected Parties.		

### NOTES:

Dear interested parties:

Please find attached two additional Information Requests directed at Paramount Resources. Also attached is a list of those organizations that have been granted status as directly affected parties.

Some organizations and individuals have indicated that they wish to remain on the distribution list but not play a formal role in this EA. All organizations and individuals who are currently on the distribution list but are not parties and have not requested to remain on the list will be removed from the distribution list for this EA. Those organizations are underlined on the attached distribution list. Please note that organizations and individuals can request party status or be added to the distribution list at any time during the proceedings.

If you have any questions regarding this EA, please do not hesitate to contact me.

### **Directly Affected Parties for Paramount Cameron Hills Extension EA**

The following organizations have requested and been granted status as directly affected party for the Environmental Assessment of the Paramount Cameron Hills Extension project (EA03-005). The designation as "directly affected party" does not imply a determination by the Review Board that the party will necessarily be affected by the development and does not constitute a legal right for compensation. It does give the party the right to fully participate in the EA. Directly affected parties may present information at any time during the EA and will be given opportunity to identify information requests. The Review Board may also direct information requests at any directly affected party.
