*The deadline to file any new information on the Paramount Public Registry will be 5:00 p.m. Thursday, February 12, 2004. The Registry will then close until the hearing transcripts are posted. The Registry will re-open Monday, February 23, 2004 and remain open until the Developer's final submission deadline of March 11, 2004.

Attached is a list of Paramount's expert witnesses. The resumes for these individuals are posted on the website at: www.mveirb.nt.ca, if you wish to view them. If you have difficulty viewing or accessing the web, please let me know and alternate arrangements can be made.

I look forward to hearing from everyone so that we may finalize and circulate the final Hearing agenda.

Yours truly,

Kimberley Cliffe-Phillips
