1. IR 1.257 should include: b) Paramount's view on the requirement for Paramount to negotiate an impacts and benefits agreement with the KTFN based on aboriginal and treaty rights and in accordance with recent case law. This agreement would be outside of the existing regulatory processes and along the same lines of, although at a different scale, as the IBAs that were negotiated for the NWT diamond mines.

2. IR 1.228, part a) should read: Explain how your consultation process has met the standards set by the Supreme Court of Canada and other high level courts (such as in cases
