Dear Sir or Madam:

**Re: Paramount Resources Ltd.
Cameron Hills Extension Environmental Assessment
Information Session**

Paramount Resources Ltd. is hosting an information session to review Paramount's current status at Cameron Hills and a working session to determine the cumulative effects assessment approaches to be utilized in the current environmental assessment. The date, place and time are planned as follows:

Date: August 13, 2002

Place: Board Room at the Mackenzie Valley Land and Water Board
7th Floor, 4910 – 50 Avenue
Yellowknife, NT

Time: 10:00 a.m. to 4:00 p.m.

Lunch to be brought in and provided by Paramount

A draft agenda is attached for your review and a working paper outlining Paramount and Golder's proposed cumulative effects assessment approach will be distributed to you soon after the final Terms of Reference is issued by the Mackenzie Valley Environmental Impact Review Board, which is anticipated approximately August 6, 2003.

Please RSVP your attendance to the August 13 session to Shirley Maaskant at (403) 290-3618 or email shirley.maaskant@paramountres.com. We look forward to seeing you next week.

Yours truly,
PARAMOUNT RESOURCES LTD.

Shirley Maaskant
Regulatory & Community Affairs Coordinator

Encl: Draft Agenda

TECHNICAL SESSION

Cumulative Effects Assessment Of The Paramount Resources Ltd. Cameron Hills Extension Project

Attendees:

Lloyd Doyle, Corporate Operating Officer, Paramount
Shirley Maaskant, Regulatory & Community Affairs Coordinator, Paramount
Daryl Johannesen, Cameron Hills EA Project Director, Golder Associates
