Re: **Public Hearing in Kakisa**

Hi Allan,

Please accept my apologies for the late reply to your phone call. The MVEIRB has decided to hold a public hearing for the Environmental Assessment of Paramount's Cameron Hills Extension project in Kakisa. We have not yet set a date. Paramount will submit its Developer's Assessment Report in September and we think it would be best to have the hearing sometime after the report is available. Also, the Board has to hold a series of hearings for other EAs and we would like organize them around the same time to keep costs at a manageable level.

Could you let me know when would be a good date for your community in the second half of September or the first half of October?

Thanks
