### NOTES:

Please find attached a summary issues table to help you prepare for the Pre Hearing Conference.

A reminder to send in your Pre Hearing Conference Participation form by 5:00 p.m. today, in order to advise us if you will be participating in person or by teleconference at the February 2 meeting. We require this information in advance in order to make the appropriate arrangements, please be respectful of the deadlines.

Please submit your Pre Hearing Conference Worksheets by 5:00 p.m. Friday, January 30. This information will be used to steer the discussion on Monday and to prepare the final Hearing Agenda. A compilation of this information will be circulated to parties at the Pre Hearing Conference. If you have any questions at all, please do not hesitate to contact me at the number noted above.

Regards,

The following table is a working summary of outstanding issues with respect to the Paramount Cameron Hills Extension EA. This table is a result of staff and counsel's review of the file, and has not been formally presented to the Board at this time. It is intended to assist the parties in their preparations for the Pre Hearing Conference, to be held Monday, February 2, 2004 at 2:00 p.m.

Use this table as a starting point, in conjunction with the Pre Hearing Conference Worksheets, for identifying the outstanding issues you may still have.

**\*A reminder to please submit your Pre Hearing Conference Worksheets by 5:00 p.m. Friday, January 30.**

Issue	Party of Concern	Status	Comments
Air Quality (modeling and monitoring)	GNWT-RWED/ Environment Canada/ KTFN	Awaiting further IR responses	Additional IRs were issued to Developer, responses anticipated January 30.
