Confirmation of pre-hearing conference date

The Mackenzie Valley Environmental Impact Review Board (Review Board) has established **March 14, 2007** at **2:00 pm** as the date for the pre-hearing conference of the above-cited environmental assessments. The acceptability of the date was confirmed in writing or verbally by the following:

- Yellowknives Dene First Nations
- Rescan Environmental Services Ltd. (consultant for the developers)
- Prince of Wales Northern Heritage Centre
- Government of Northwest Territories, Environment and Natural Resources
- Indian and Northern Affairs Canada

The pre-hearing conference will be held in the MVEIRB Boardroom. Parties wishing to participate from outside Yellowknife will be able to do so via teleconference. An agenda and a phone number for participants to dial into will be distributed shortly.
