Re: Extension of deadline for the submission of round I Information Requests and Developer's Assessment Report

Dear Parties,

The Mackenzie Valley Environmental Impact Review Board (the "Review Board") received a letter from the Department of Environment and Natural Resources (ENR), dated April 25, 2006, requesting a one-week extension of the deadline to submit its response to Information Request IR0506-007-08 (regarding boreal caribou).

The Review Board has decided to grant ENR this extension. Moreover, the extension applies to all parties issued information requests. The new deadline for submission of information request responses is **5:00 pm, MST on Friday May 12th, 2006**. Paramount Resources Ltd. is also requested to attempt to adhere to the same revised timelines and the Review Board hopes that its Developer's Assessment Report can be submitted by May 12th, 2006 as well.

Should you have any questions or concerns about the above-cited material, please do not hesitate to contact me at your earliest convenience by phone at (867)-766-7062 or by email at pduxbury@mveirb.nt.ca.

Yours truly,
