EA0506-008 Distribution List

Dear Parties:

**Re: EA0506-008 Gahcho Kue - Technical Scoping Hearing Agenda**

Please find attached a draft agenda for the technical scoping hearing on Monday April 10, 2006. As mentioned before, there will be no cross examination at this scoping hearing but Board members may ask parties for clarification. Parties are to present their prioritized lists of issues based on the results of the March 21-23 technical scoping workshop. Parties may present additional information as well. Those parties that chose not to use the prioritizing system prescribed by the Review Board are expected to explain their rationale for not doing so.

If you have any questions or concerns, please do not hesitate to contact me at (867) 766-7053 or [mhaefe@mvirb.nt.ca](mailto:mhaefe@mvirb.nt.ca). Also, please contact me if you have any special audiovisual requirements. The Review Board will provide a computer and projector.

Sincerely

(original signed by)

Martin Haefe  
Environmental Assessment Officer
