### ***EA Process Update***

At its Board Meeting on June 19, the Review Board determined that Technical Sessions are required and will focus on specific concerns about water. **The Technical Sessions will be held on July 17-18 in Hay River, at the Ptarmigan Inn. The meeting agenda and list of attendees will be formally organized in a Pre-Meeting teleconference on June 27, at 2pm MST.** Information about how to dial in has been made available to all organizations on the distribution list, but is also available on the website EA0607-002 public registry in the document labeled "Notification of Forthcoming Technical Sessions".

Contact me with any questions about the EA process.
