Subject: EA0607-002 Tamerlane Pine
Point Project – Invitation to
provide supplementary scoping
comments

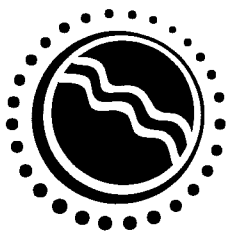

NOTES:

The Review Board held scoping sessions for the Environmental Assessment of Tamerlane Ventures' Pine Point Project in Hay River and Ft. Resolution on August 16-17, 2006. The purpose of these meetings was to identify issues and concerns that parties feel should be addressed in the Environmental Assessment. The meetings were well attended and brought forth a variety of important issues. We thank all parties for their involvement in these scoping exercises. All presentations from the Scoping Sessions will be put on the Public Record this week.

The Review Board is compiling all of the comments and questions from the scoping sessions for consideration when drafting *Terms of Reference* for the EA. **A list of meeting minutes will be sent to the distribution list and added to the Public Record during the week of August 21-25.** If there are concerns about the accuracy of those minutes, please contact me.

As indicated at the Scoping Sessions, the Review Board will accept written scoping comments for the Public Record from any participants if there were any issues you have identified related to the proposed

This transmission may contain information that is confidential and privileged. It is intended solely for the use of the addressee and is protected by legislation. If you have received this fax transmission in error, please call (867) 766-7050 (collect) and destroy any pages received. Thank you.

development that were not discussed at the Scoping Sessions. **The Review Board will accept these comments until end of day Thursday, August 24 for consideration in drafting the Terms of Reference.** Any comments received after August 24 will be considered by the Review Board when assessing comments on the forthcoming *Draft Terms of Reference and Work Plan* for the EA, which will be distributed in early September.

As always, contact me with any questions.

Regards,

Alistair MacDonald
