Damian,

The LKDFN is the primary community, but both the YKDFN and DKFN should be given the opportunity to decide whether they wish to be consulted or not on this one.

Hi Steve,

The MVLWB advised that I get some guidance from you as to whom UR should be consulting with prior to the next permit application for Screech Lake. Clearly we will involve Lutsel K'e, but I am not clear about the Yellowknives Dene. As you know, during the last permit application, the YKDFN deferred to the LKDFN when asked to comment on the project, saying it was in Lutsel K'e territory. Can Treaty 8 Tribal Corp provide us with any direction here?

Thanks,

Damian
