SUBJECT:

UR Energy Land Use Permit Application

DISCUSSION

I asked Rachael if the YKDFN is interested in meeting with Ur-Energy when they pass through Yellowknife to meet with the Treaty 8 Tribal Council and LKDFN

Rachael responded that meeting with the LKDFN will send a strong signal that the Ur-Energy is interested in working with the local community. Dealing with the LKDFN would be sufficient. YKDFN are too busy to meet right now.
