Dear Mr. Jakesta;

RE: Invitation for Community Hearing for the Selwyn Project Mineral Exploration Environmental Assessment

Please be advised that on Tuesday April 7, 2009, The Mackenzie Valley Environmental Impact Review Board (Review Board) will be holding a Community Hearing for the Selwyn Project Environmental Assessment in Tulita, NT. This one day hearing is an opportunity for the public and parties to put forth any final issues or submissions regarding the proposed mineral exploration project and its potential impact on the people and environment of the Mackenzie Valley.

The hearing is open to everyone and all are invited to attend. The purpose of the hearing is for interested parties and the concerned public to address any outstanding issues directly to the Review Board. The Review Board will consider all evidence in their decision regarding the Selwyn Project Mineral Exploration Environmental Assessment.

Please contact me if you have any questions regarding this Environmental Assessment at nspencer@reviewboard.ca or 867-766-7062.

Sincerely,

Nicole Spencer
