Re: Project Description Summary - EL Lake (EA0708-004)

Dear Mr. MacDonald:

We would like to request an extension to the deadline of December 17 to submit our Project Description Summary for our EL Lake Project. We feel that we need additional time to assemble this document in order to address the important aspects of the project. Given proximity of the forthcoming holiday season, we would like to request an extension to January 18, 2008 for the submission of this document.

Regards,

Gordon I. Davidson
Vice President Exploration, Canada
