**Dear Kathleen**

**Re:      Response to Public Comments  
         Taltson Expansion Project Land Use Permit (MV207I0033) and Water Licence  
         (MV2007L4- 0029) Applications**

---

Please find enclosed the Dézé Energy Corporation response to the public comments on the Land Use Permit and Water Licence applications for the Taltson Expansion Project. Our response is presented in table format referencing the source of the comments. We appreciate the efforts of the aboriginal groups, agencies, and public individuals to provide these comments.

Attached to the response are documents containing information from ongoing baseline and assessment programs as discussed in the Project Description. Enclosed with this letter please find the following:

As you are likely aware, we have been meeting with a number of the correspondents over the past year to understand their interests, in order to help scope our environmental assessment and mitigation measures. We look forward to continuing our open dialogue, which will assist us in developing the Project in a manner that meets all the stakeholder's interests.

Please do not hesitate to contact me should you have any questions or additional information needs.

Yours truly,

Dan Grabke
