Dear Ms. Robertson:

**RE: Notification pursuant to the requirements of subsection 79(1) of the *Species at Risk Act* (SARA).**

Please be advised that the Mackenzie Valley Environmental Impact Review Board, as the authority responsible to conduct an environmental assessment for Dezé Energy Corporation's Taltson Hydroelectric Expansion Project (our file: EA0708-007), has determined this proposed project is taking place in an area that is in the potential range of Eskimo Curlew, Whooping Crane and Peregrine Falcon (Tundra and Anatum subspecies); all of which are listed species under SARA.

The proposed project is subject to an environmental assessment under the Mackenzie Valley Resource Management Act. Additional information about the environmental assessment is available through on our website:

[http://www.mveirb.nt.ca/registry/project.php?project\\_id=68](http://www.mveirb.nt.ca/registry/project.php?project_id=68)

If you have any questions please feel free to call me regarding this environmental assessment at 867-920-4464.

Yours truly,
