Environmental Assessment Letter Regarding Daryl Bohnet

Mr. Christensen,

We would like to review the written advice provided by Mr. Daryl Bohnet to Tyhee in the past regarding community engagement and First Nations Consultation so that we could evaluate whether Mr. Bohnet has publicly and/or professionally expressed opinions which we consider to be biased for or against one First Nation or another in comparison with others in his past dealings with Tyhee.

At the completion of our review we will be in a position to provide our opinion to you regarding whether or not Mr. Bohnet has an appearance of bias or is in a conflict of interest in accepting an appointment to the review Board for Tyhee's environmental review.

Thank you,

Sheryl Grieve B.Sc.
