Tyhee NWT Corp – Yellowknife Gold Project Distribution List

**RE: Notice of Scheduling for Environmental Assessment Scoping Sessions concerning Tyhee NWT Corp.’s Yellowknife Gold Project**

To assist the Mackenzie Valley Environmental Impact Review Board (the “Review Board”) in the preparation of its *Terms of Reference* for the Yellowknife Gold Project environmental assessment, the Review Board has tentatively scheduled Scoping Sessions for October in Yellowknife.

The sessions would be divided into two parts: an October 16<sup>th</sup> evening session will give an opportunity for communities affected by the Yellowknife Gold Project to voice concerns about the development, and technical sessions would take place during the day on October 17<sup>th</sup>.

Once a date is confirmed, the Review Board will release an agenda and further information for parties to use while presenting issues. In the event that there are significant constraints to parties being able to participate at this time, then the Review Board may consider rescheduling. **Interested parties are asked to contact Paul Mercredi by September 25<sup>th</sup> should scheduling conflicts occur.**

Correspondence related to this environmental assessment should be directed to:
