TNR Gold Corp. Ltd- Moose Property Mineral Exploration Project

November 12, 2010

Re: Document distributed by INAC to the Parties of TNR Gold- Moose Property Exploration Project

Indian and Northern Affairs has informed the Review Board of the distribution of a document they feel is important to this environmental assessment. The document is the DeStaffany Mine ESA Phase I report. It was sent to the following:

- MVEIRB, for the public registry, as per Oct. 22 letter
- Tom Unka, FRMC
- Rosy Bjornson, DKFN
- Stephanie Poole, Akaitcho IMA Implementation Office in Lutsel K'e - to be circulated as required in Lutsel K'e
- Corey Segboer, Aurora Geosciences on behalf of the developer
- Todd Slack, YKDFN - have provided instructions to download from INAC FTP site
- Sheryl Grieve, NSMA - have provided instructions to download from INAC FTP site
- Amy Lizotte, GNWT - have provided instructions to download from INAC FTP site

If there are any questions pertaining to this EA, please contact me.
