**RE: MV2011C0002 Class A Land Use Permit – Diamond Drilling – Drybones Bay**

The Department of Transportation (DOT), Government of the Northwest Territories would like to submit the following comment regarding the proposed project:

- If the proponent plans to access the project area via the Dettah Winter Access Road, the proponent will be required to comply with the Department of Transportation's ice road restrictions and load limits.
- An access permit will be required if the proponent plans to construct a winter road from the Dettah Winter Access Road to the project area.

If you have any questions or require further clarification, please contact, Larry Purcka, Manager, Technical Services in Yellowknife at (867) 873-7647. Alternatively, I can be reached at (867) 920-8920.

Sincerely,

Rob Thom  
Transportation Planner  
Planning, Policy & Environment Division  
Department of Transportation
