Subject: Upcoming Community Info Session in Dettah - Debogorski EA

Hi Sheryl,

I am sending a quick email to ask if you plan to participate in the upcoming Community Information Session for EA 1112-001 - Debogorski Exploration project in the Drybones Bay area. It is scheduled for the afternoon and evening of July 20th in Dettah.

We are organizing logistics, specifically travel to and fro and are trying to determine which parties intend to participate.

Darha
