Dear Mr. Cliffe-Phillips:

Extension Request for Response Deadline to Technical Session Undertakings for Canadian Zinc Corporation – Prairie Creek All Season Road (EA1415-01 [2014]) Environmental Assessment

The Government of the Northwest Territories (the GNWT) is requesting an extension to provide a response to Undertaking #14. An extension to July 8, 2016, would allow the GNWT to provide a more fulsome and complete response to the undertaking.

The GNWT appreciates the Mackenzie Valley Environmental Impact Review Board's consideration in granting the request. Should you have any questions, please contact Melissa Pink, Manager, Project Assessment Branch, Department of Lands, at (867) 767-9183 ext. 24069 or melissa.pink@gov.nt.ca.

Sincerely,

for Lorraine Seale
