### **Re: Review Board staff contact for July 8-15, 2016 and next steps**

The Review Board staff contact for EA1415-01 from July 8-15, 2016 is Chris Rose, [crose@reviewboard.ca](mailto:crose@reviewboard.ca) 867-766-7051. Please direct all correspondence to Chris during this period with a copy to Chuck Hubert and Ruari Carthew.

The Review Board anticipates that undertaking submissions from the technical session will be completed by mid-July. Once all undertakings have been submitted the next step in this environmental assessment is second round information requests as shown in the [Work Plan](#)

Parties will have one month to prepare second round information requests once all undertakings have been submitted. Further instructions on second round information requests will be provided after undertakings are complete.

Review Board staff contacts from July 18, 2016 onwards are Chuck Hubert [chubert@reviewboard.ca](mailto:chubert@reviewboard.ca) 867 766-7052 and Ruari Carthew at [rcarthew@reviewboard.ca](mailto:rcarthew@reviewboard.ca), 867-766-7073.
