**RE: Environmental Assessments - Timber Harvesting in the Cameron Hills  
Deh Gah Got'ie Betterment Corporation and Digga Enterprises Ltd.**

Mr. Douglas Bryshan, CEO of the Deh Gah Got'ie Betterment Corporation and Mr. Bob Head, General Manager of Digga Enterprises Ltd. withdrew Forest Management Applications FA001206 and FA001207 on March 19, 1999. These were the two development applications that respectively triggered environmental assessments. The withdrawal of these respective applications effectively eliminates any trigger for environmental assessment.

Thank you for your participation in the short lived environmental assessment of the Cameron Hills forestry developments. Please call Louie Azzolini if there any questions or comments.

Sincerely,
