Dear Mr. Tollis:

**RE: EIR 0607-001 Gahcho Kué Diamond Project – public hearing locations**

Thank you for your letter of August 31 in which the Lutsel K'e Dene First Nation requests that a portion of the public hearings for the Gahcho Kué Diamond Project be held in the community of Lutsel K'e.

The Gahcho Kué Panel (Panel) met on September 7 to consider this request and agree that a hearing day in Lutsel K'e is warranted in order to hear directly from community members. The Panel decided that an additional day of community hearings will be scheduled in Lutsel K'e on December 3, 2012.

The Panel thanks the Lutsel K'e Dene First Nation for their interest in the Gahcho Kué Diamond Project and looks forward to the hearing in the community of Lutsel K'e.

If you have any questions, please contact me by phone or email.

Sincerely,
