**Re: Teleconference with Nahanni Butte Dene Band on release of the *Report of Environmental Assessment and Reasons for Decision***

Review Board staff participated in a teleconference call with Nahanni Butte Dene Band Chief and Council on Tuesday September 12, 2017. Participants on the call were:

Nahanni Butte Dene Band:	Chief Peter Marcellais Councillors & Alternate Councillors: Jayne Konisenta Lorraine Vital Jim Betsaka Laura Vital Brian Ekotla Lena Marcellais  Mark Pocklington, Band Manager
Review Board staff:	Mark Cliffe-Phillips Chuck Hubert

The purpose of the call was for Review Board staff to present a summary of the recommendations in the Review Board's *Report of Environmental Assessment and Reasons for Decision for the Prairie Creek All Season Road* (Report). The Report recommends that the INAC Minister allow the project to proceed with the implementation of measures to mitigate adverse impacts on the environment and people.

The INAC Minister will consult directly with Nahanni Butte Dene Band on the Report before making a final decision.

The Nahanni Butte Dene Band Chief and Council expressed the community's concern that the Report did not require CanZinc to complete a Traditional Land Use Agreement or a co-management arrangement with Nahanni Butte Dene Band.
