Re: Review Board staff meeting with Diavik Diamond Mines Inc.

Review Board staff met with staff and consultants from Diavik Diamond Mines Inc. (Diavik) on April 30th, 2019 to discuss process steps related to the Information Requests stage of the environmental assessment (EA). Timelines and expectations for future EA steps were also discussed.

Diavik and Review Board staff discussed the [Scope of Environmental Assessment and Reasons for Decision](#) for this environmental assessment. Review Board staff reminded and encouraged Diavik staff to submit any requests to the Board about substantive matters related to this document in writing so that they can be posted on the public registry.
