Notice of Proceeding - Presentation of the Report of Environmental Assessment and Reasons for Decision

Depositing Processed Kimberlite into Pits and Underground, Diavik Diamond Mines Inc.

Diavik and Intervenor(s) to the environmental assessment for Diavik's proposal to deposit processed kimberlite into pit(s) and underground are invited to the Review Board office for a presentation on the [Report of Environmental Assessment and Reasons for Decision](#). Review Board staff will present the Review Board's findings and review the measures. The Review Board hopes this presentation provides an opportunity for intervenors to better understand the Review Board's conclusion and final measures.

This is a staff level discussion. Review Board members and counsel will not be present. Staff will not engage in discussions of the merits of the findings or measures.

When: Date: Friday, January 17th, 2020
Time: 10:00 am-12:00 pm (snacks provided)

Where: Board Room, Mackenzie Valley Environmental Impact Review Board Office
2nd floor Scotia Building (5102-50th Ave)
Yellowknife

Teleconference will be available for those who wish to participate but are unable to attend.

Teleconference number: 1-877-733-5390

Participant code: 463 162 1989
