**Request to Extend Developers Response deadline for Pine Point Project**

Dear Chuck,

The proponent's response to comments provided on the ORS regarding the Pine Point Mine Project TOR scoping are due on 11 June 2021.

Due to other regulatory commitments related to the upcoming hearings for authorizations MC2020C0017 and MV2020L2-0012, PPML requires additional time to adequately prepare a response to the comments on the ORS.

We respectfully request an extension for providing the proponents responses to Wednesday, 23 June 2021.

Yours sincerely,

A handwritten signature in black ink, appearing to read "A. Williams".

Environment Manager, Pine Point Mining Limited.
