Note to File

To all Parties:

RE: Mackenzie Valley Highway Project, Government of the Northwest Territories – Sahtu Project engagement plans

The Mackenzie Valley Environmental Impact Review Board (Review Board) is planning ongoing engagement for its environmental assessment of the Mackenzie Valley Highway Project. It will visit the Tulita District of the Sahtu Region in the week of April 22, 2024. The Government of the Northwest Territories (the developer) will also attend.

The Review Board staff will discuss the analysis phase of the environmental assessment (EA) process, and next steps for information requests. The developer will present its Developer's Assessment Report (DAR) and will be available for questions. During this engagement, the Review Board staff hopes to meet with any interested parties.

Meet & Greet Information Sharing sessions will be held at the following places and times:

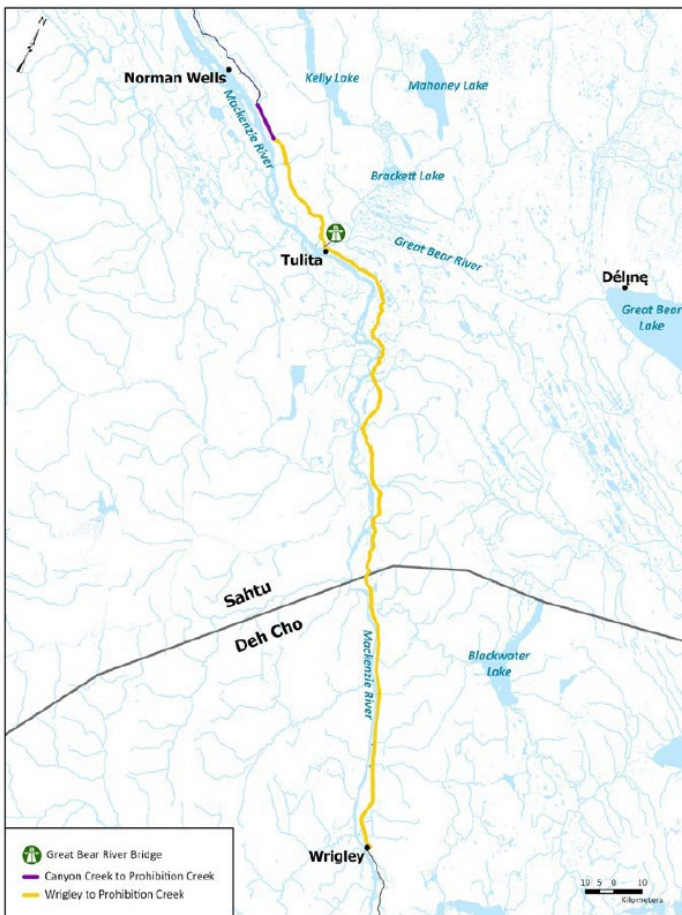

- Norman Wells: Tuesday, April 23, 2024, at 5-7 PM in the Sahtu Secretariat Inc.'s office
- Tulita: Wednesday, April 24, 2024, at 2-4 PM, in the Tulita Arena.

Both sessions are open to the public (see attached posters). Snacks, tea, and coffee will be offered. For questions or more information, please contact Senior Environmental Assessment Advisor Catherine Fairbairn (867-766-7054, cfairbairn@reviewboard.ca).

Meet & Greet Information Sharing

Environmental Assessment of the Mackenzie Valley Highway

Purpose

- Learn about the process (from Review Board staff)
- Understand the highway project (DAR/info from GNWT)
